

# Using Dot Ed

## Adding a Resource or Activity

Courses in DotED are primarily comprised of a combination of Activities and Resources. By using the tools available, a course can function as a simple supplemental document repository or as a full capable online course complete with assignments, assessments, and more.

To add any type of Activity or Resource:

Click the **Turn On Editing** link in the **Administration block** or from the **Settings Gear** drop down menu.

Click the **Add an Activity or Resource** link.

Select an Activity or Resource and press **Add**.
