

Resources & Activities

Activities and Resources are the key to using **DotED** to it's fullest potential. From **Assignments** and **Quizzes** to **Discussion Forums** and **Turnitin**, there are a wide array of tools available to assist you in online instruction. This tutorial covers the basics of adding any resource or activity to your DotED course, please check our website for more information on the individual tools.

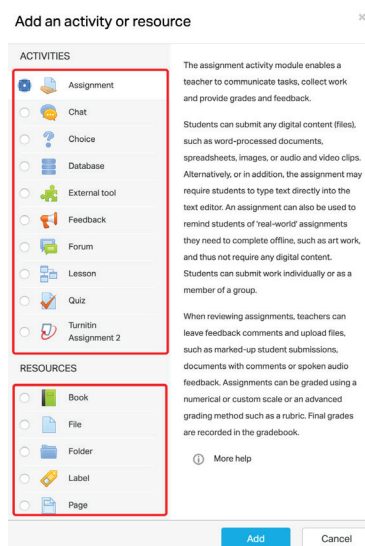

- a. Click the **Gear Icon** and select **Turn Editing On** from the dropdown menu. You can also press the **Turn On Editing** link located under **Course Administration** in the sidebar.

- b. Press the **Add an Activity or Resource** link in the desired section of the course.

- c. Select an **Activity or Resource** and then press **Add**. Each option displays a brief description when selected.

- d. Once you have entered the required information for the selected activity be sure to press **Save and Return to Course** or **Save and Display**.
