

Using Turnitin

At **ArtCenter**, we have **Turnitin integrated into our DotED learning management system**. All students and faculty are automatically enrolled but it can only be accessed through DotED. Luckily, the incredibly useful features that Turnitin offers are just a few steps away. See our detailed instructions below on how to use Turnitin in your DotED course.

- a. Click the **Gear Icon** and select **Turn Editing On** from the dropdown menu. You can also press the **Turn On Editing** link located under **Course Administration** in the sidebar.

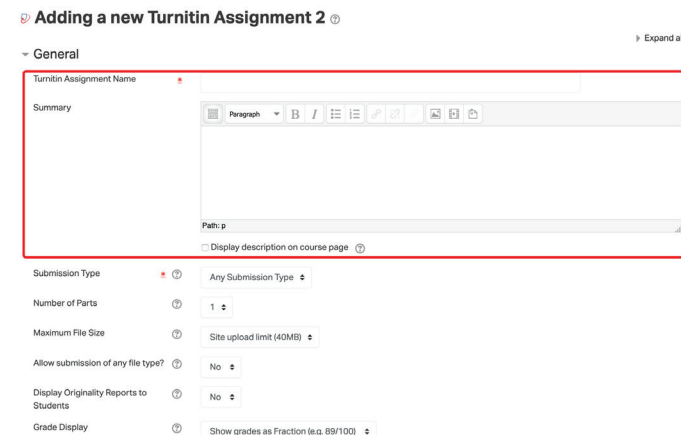

- b. Press the **Add an Activity or Resource** link in the desired section of the course.

- c. Select **Turnitin Assignment 2** from the list of Activities and press **Add**.

- d. Enter the **Assignment Name** and a **Description**. Next, set the submission type, number of parts, file type, and whether or not to display the originality report to students.
