

# DotED URL Resource Tool

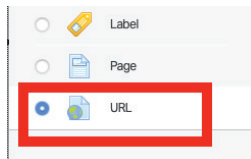

The URL module enables a teacher to provide a web link as a course resource.

---

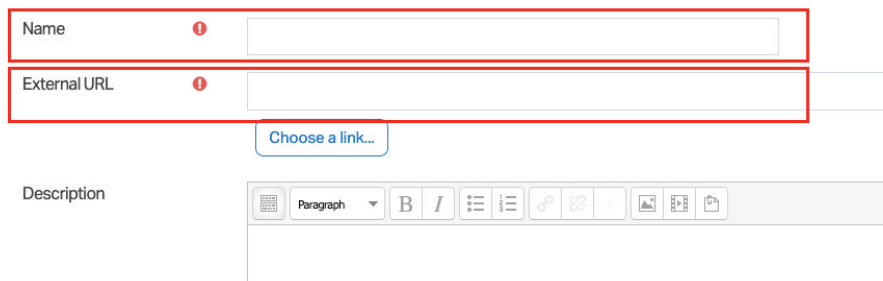

- a. Click the **Gear Icon** and select **Turn Editing On** from the dropdown menu. You can also press the **Turn On Editing** link located under **Course Administration** in the sidebar.

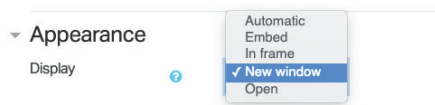

- b. Select **URL** from the Resources list and Press **Add**.

- c. Enter the **Name** of the URL and the **External URL** address.

A screenshot of the URL resource creation form. It has two input fields: 'Name' and 'External URL'. Both fields have a red rectangular box around them. Below the 'External URL' field is a 'Choose a link...' button. Below the 'Name' field is a 'Description' field with a rich text editor toolbar containing options like Paragraph, Bold, Italic, List, and Link.

- d. Expand **Appearance** and select how the link will be shown under the **Display** dropdown menu.

- e. Press **Save & Return to Course**.
